Memorandum

To: Honorable Mayor and City Council Members

From: Kellie Rhodes, Planning Technician

XC: George Purefoy, City Manager
John Lettelleir, AICP, Director of Planning & Development

Date: November 18, 2008

Subject: Consider and act upon adoption of an ordinance changing the name of West Main Street to Frisco Square Boulevard from the Dallas North Tollway to Main Street. STRE08-0018. (Planning & Development Services)

Action Requested: Adoption of an Ordinance changing the name of West Main Street to Frisco Square Boulevard from the Dallas North Tollway to Main Street.

Background Information: The original conveyance plat for right-of-way dedication within Frisco Square named the street running along the plaza as West Main Street. In routine research, the discrepancies between the names on the conveyance plat and the streets of Frisco Square were discovered. The streets were named according to the exhibits within the PD document, which are different from what we know them as today. In order to correct this difference, an ordinance will have to be approved.

Alternatives: The City Council could choose not to adopt the Ordinance, therefore not changing the street name.

Financial Considerations: Not Applicable – street signs are correct.

Board Review/Citizen Input: No notifications were sent out as addresses are already to Frisco Square Boulevard.

Public Impact: There is only one property addressed to the street – City Hall.

Legal Review: The ordinance was reviewed by the City Attorney's office.
